ABOUT

YC Co-Founder Matching Event in Dogpatch

Join us for a Y Combinator Co-Founder Matching event, designed for promising early-stage founders and aspiring entrepreneurs passionate about addressing climate change! This gathering is an opportunity to connect with potential co-founders and collaborators in the Climate Tech startup space. It is best for people who are currently working on side projects or early stage ideas alone and would like to find a co-founder.

Event Highlights:

- Founder 'Speed Dating': Meet more potential co-founders through rapid one-on-one conversations.
- Y Combinator Insights: YC Group Partners will share their tips for finding a great co-founder and why they're excited about teams building in this space.

Doors open at 6pm with time for registration and mingling before YC announcements and 'speed dating'. Food and drinks will be served.

Request a spot

We'll reach out with details if we're able to confirm your attendance.
